## 1.2 Statement of Procurement Purpose

## 4 GENERAL REQUIREMENTS & CONTRACTING INFORMATION

### 4.1 Proposer Required Review and Waiver of Objections

Each Proposer must carefully review this RFP and all attachments, including but not limited to defects, objections, or any other matter requiring clarification or correction (collectively called “comments”). All such Comments must be made in writing and received by the Institution no later than the Written Comments Deadline in the RFP Section 2, Schedule of Events. This will allow issuance of any necessary amendments and help prevent the necessity of cancelling the RFP.

Any proposed alternatives, revisions or additions to the Pro Forma Contract (Attachment 6.2) must be made in writing. **Should the Proposer fail to include proposed alternatives, revisions or additions to the Pro Forma by the Written Comments deadline and/or in its Technical Proposal Response, such alternatives, revisions or additions will not be considered.** A proposal that limits or changes any of the terms or conditions contained in the Pro Forma Contract may be considered non-responsive.

The Institution reserves the right, at its sole discretion, to reject any and all proposals in accordance with applicable laws, regulations and TBR or Institution Policy.

### 4.2 RFP Amendment and Cancellation

The Institution reserves the unilateral right to amend this RFP at any time. If an RFP amendment is issued, the Institution will communicate such amendment to the potential Proposers. Each proposal submitted must be in response to the final written RFP and any exhibits, attachments, and amendments.

### 4.3 Proposal Prohibitions and Right of Rejection

4.3.1 The Institution reserves the right, at its sole discretion, to reject any and all proposals in accordance with applicable laws and regulations.

4.3.2 Each proposal must comply with all of the terms of this RFP and all applicable state laws and regulations. The Institution may consider any proposal that does not comply with all of the terms, conditions, and requirements of this RFP to be non-responsive and reject it.

4.3.3 A Proposer may submit an alternate proposal; however, Proposer must submit a proposal that offers the goods and/or services requested by this RFP.

4.3.4 A Proposer may not restrict the rights of the Institution or otherwise qualify a proposal. The Institution may determine such a proposal to be a non-responsive counteroffer, and the proposal may be rejected.

4.3.5 A Proposer shall not submit more than one proposal that offers the goods and/or services requested by this RFP. Submitting more than one proposal shall result in the disqualification of the Proposer unless specifically provided for in this RFP.

4.3.6 A Proposer shall not submit multiple proposals in different capacities. This prohibited action shall be defined as a Proposer submitting one proposal as a prime contractor and a second Proposer submitting a proposal with the first Proposer offered as a subcontractor. This restriction does not prohibit different Proposers from offering the same subcontractor as a part of their proposals, provided that the subcontractor does not also submit a proposal as a prime contractor. Submitting multiple proposals in different capacities may result in the disqualification of all Proposers knowingly involved.

4.3.7 The Institution shall reject a proposal if the Cost Proposal was not arrived at independently without collusion, consultation, communication, or agreement as to any matter relating to such prices with any other Proposer. Regardless of the time of detection, the Institution shall consider any of the foregoing prohibited actions to be grounds for proposal rejection or contract termination.

4.3.8 The Institution shall not consider a response from an individual who is, or within the past six (6) months has been, a State employee. For purposes of this RFP:

4.3.8.1 An individual shall be deemed a State employee until such time as all compensation for salary, termination pay, and annual leave has been paid;

4.3.8.2 A contract with or a response from a company, corporation, or any other contracting entity in which a controlling interest is held by any State employee shall be considered to be a contract with or proposal from the employee; and

4.3.8.3 A contract with or a response from a company, corporation, or any other contracting entity that employs an individual who is, or within the past six (6) months has been, a State employee shall not be considered a contract with or a proposal from the employee and shall not constitute a prohibited conflict of interest.

4.3.9 The Institution reserves the right, at its sole discretion, to waive a proposal's variances from full compliance with this RFP. If the Institution waives minor variances in a proposal, such waiver shall not modify the RFP requirements or excuse the Proposer from full compliance with the RFP.

#### **4.4 Incorrect Proposal Information**

If the Institution determines that a Proposer has provided, for consideration in this RFP process or subsequent contract negotiations, incorrect information that the Proposer knew or should have known was materially incorrect, that proposal shall be determined non-responsive and shall be rejected.

#### **4.5 Proposal of Additional Goods and/or services**

If a proposer offers related goods and/or services in addition to those required by and described in this RFP, the additional goods and/or services may be added to the Contract before contract signing at the sole discretion of the Institution. Proposers must provide a detailed description of each related product and/or service offered in addition to those specified in this RFP to be considered for inclusion in the contract as a separate attachment. Costs associated with additional related goods and/or services must be provided on a separate attachment in the Cost Proposal. Please note that proposed additional goods and/or services will not be used in evaluating the proposal.

#### **4.6 Assignment & Subcontracting**

4.6.1. The Contractor may not subcontract, transfer, or assign any portion of the Contract awarded as a result of this RFP without prior approval of the Institution. The Institution reserves the right to refuse approval, at its sole discretion, of any subcontract, transfer, or assignment.

4.6.2. If a Proposer intends to use subcontractors, the response to this RFP must specifically identify the scope and portions of the work each subcontractor will perform (refer to RFP Attachment 6.5., Section B, Qualifications & Experience Requirements, Item B.10.).

4.6.3. Subcontractors identified within a response to this RFP will be deemed as approved by the Institution unless the Institution expressly disapproves one or more of the proposed subcontractors prior to signing the Contract.

4.6.4. After contract award, a Contractor may only substitute an approved subcontractor at the discretion of the Institution and with the Institution's prior, written approval.

4.6.5. Notwithstanding any Institution approval relating to subcontracts, the Proposer who is awarded a contract pursuant to this RFP will be the prime contractor and will be responsible for all work under the Contract.

#### **4.7 Right to Refuse Personnel**

The Institution reserves the right to refuse, at its sole discretion and notwithstanding any prior approval, any personnel, of the prime contractor or a subcontractor providing goods and/or services. The Institution will document in writing the reason(s) for any rejection of personnel.

#### **4.8 Insurance**

Successful Proposer must provide and maintain a commercial general liability policy. The policy shall provide coverage which includes, but is not limited to, bodily injury, personal injury, death, property damage and medical claims, with minimum limits of \$1,000,000 per occurrence, \$3,000,000 in the aggregate. The Proposer shall maintain workers' compensation coverage or a self-insured program as required under Tennessee law. The Proposer shall deliver to the Institution a certificate of insurance no later than the effective date of the contract, with the policy listing the Institution as additional insured. If any policy providing insurance required by the contract is cancelled prior to the policy expiration date, the Proposer, upon receiving a notice of cancellation, shall give immediate notice to the Institution.

The enumeration in the contract or in this document of the kinds and amounts of liability insurance shall not abridge, diminish or affect the contractor's legal responsibilities for the consequences of accidents arising out of or resulting from the goods and/or goods and/or services of the successful bidder under this contract.

Failure to provide evidence of such insurance coverage is a material breach and grounds for termination of the contract negotiations. Any insurance required by the Institution shall be in form and substance acceptable to the Institution.

#### **4.9 Professional Licensure and Department of Revenue Registration**

4.9.1. All persons, agencies, firms, or other entities that provide legal or financial opinions, which a Proposer provides for consideration and evaluation by the Institution as a part of a response to this RFP, shall be properly licensed to render such opinions.

4.9.2. Before the Contract resulting from this RFP is signed, the apparent successful Proposer (and Proposer's employees and subcontractors, as applicable) must hold all necessary or appropriate business or professional licenses to provide the goods and/or goods and/or services as required by the contract. The Institution may require any Proposer to submit evidence of proper licensure.

4.9.3. Before the Contract is signed, the apparent successful Proposer must be registered with or exempted by the Tennessee Department of Revenue for the collection of Tennessee sales and use tax. The Institution shall not award a contract unless the Proposer provides proof of such registration or documentation from the Department of Revenue that the Contractor is exempt from this registration requirement. The foregoing is a mandatory requirement of an award of a contract pursuant to this solicitation. For purposes of this registration requirements, Proposer should visit <https://apps.tn.gov/bizreg/>.

#### **4.10 Financial Stability**

The successful Proposer will be required to provide information to Institution to demonstrate financial stability and capability prior to award of contract. These requirements are located in Attachment 6.5 of this RFP.

#### **4.11 Service Location and Work Space (OPTIONAL)**

The service pursuant to this RFP is to be performed, completed, managed, and delivered as detailed in the RFP Attachment 6.2, *Pro Forma* Contract. A staging area on the Institution's premises may be available for Contractor use in accordance with the *Pro Forma* Contract or at the Institution's discretion. Any work performed on the Institution's premises must be coordinated through Steve Daubs at (931) 393-1575. The Contractor is responsible for securing the work area. The Institution will not accept shipments on behalf of the Contractor.

#### **4.12 Proposal Withdrawal**

A Proposer may withdraw a submitted proposal at any time up to the Proposal Deadline time and date in the RFP Section 2, Schedule of Events. To do so, a Proposer must submit a written request, signed by a Proposer's authorized representative to withdraw a proposal. After withdrawing a previously submitted proposal, a Proposer may submit another proposal at any time up to the Proposal Deadline.

#### **4.13 Proposal Errors and Amendments**

At the option of the Institution, a Proposer may be bound by all proposal errors or omissions. A Proposer will not be allowed to alter or amend proposal documents after the Proposal Deadline time and date in the RFP Section 2, Schedule of Events unless formally requested, in writing, by the Institution.

#### **4.14 Proposal Preparation Costs**

The Proposer is responsible for all costs associated with the preparation, submittal, or presentation of any proposal.

#### **4.15 Continued Validity of Proposals**

Proposals shall state that the offer contained therein is valid for a minimum of one hundred twenty (120) days from the date of opening. This assures that Proposers' offers are valid for a period of time sufficient for thorough consideration. Proposals which do not so state will be presumed valid for one hundred twenty (120) days from the date of the Cost Proposal opening.

#### **4.16 Disclosure of Proposal Contents**

4.16.1 Each proposal and all materials submitted to the Institution in response to this RFP shall become the property of the Institution. Selection or rejection of a proposal does not affect this right. All proposal information, including detailed price and cost information, shall be held in confidence during the evaluation process.

4.16.2 Upon the completion of the evaluation of proposals, indicated by public release of a Letter of Intent to Award, the proposals and associated materials shall be open for review by the public in accordance with Tennessee Code Annotated, Section 10-7-504. By submitting a proposal, the Proposer acknowledges and accepts that the proposal contents and associated documents shall become open to public inspection in accordance with said statute.

4.16.3 If an RFP is re-advertised, all prior offers and/or proposals shall remain closed to inspection by the Proposers and/or public until evaluation of the responses to the re-advertisement is complete.

#### **4.17 Contract Approval**

The RFP and the successful proposer selection processes do not obligate the Institution and do not create rights, interests, or claims of entitlement by either the Proposer with the apparent best-evaluated proposal or any other Proposer. Contract award and Institution obligations pursuant thereto shall commence only after the contract is signed by the Contractor and all other Institution/State officials as required by state laws and regulations.

#### **4.18. Contractor Performance**

The Contractor will be responsible for the delivery of all acceptable goods or the satisfactory completion of all goods and/or services set out in this RFP (including attachments) as may be amended. All goods and/or services are subject to inspection and evaluation by the Institution. The Institution will employ all reasonable means to ensure that goods delivered and/or services rendered are in compliance with the Contract, and the Contractor must cooperate with such efforts.

#### **4.19. Contract Amendment**

After contract award, the Institution may request the Contractor to deliver additional goods and/or perform additional services within the general scope of the contract and this RFP, but beyond the specified scope of service, and for which the Contractor may be compensated. In such instances, the Institution will provide the Contractor a written description of the additional goods and/or services. The Contractor must respond to the Institution with a time schedule for delivering the additional goods or accomplishing the additional services based on the compensable units included in the Contractor's response to this RFP. If the Institution and the Contractor reach an agreement regarding the goods and/or services and associated compensation, such agreement must be effected by means of a contract amendment. Further, any such amendment requiring additional goods and/or services must be signed by both the Institution and the Contractor and must be approved by other state officials as required by applicable statutes, rules, policies and procedures of the State of Tennessee. The Contractor must not provide additional goods or render services until the Institution has issued a written contract amendment with all required approvals.

#### **4.20. Severability**

If any provision of this RFP is declared by a court to be illegal or in conflict with any law, said decision will not affect the validity of the remaining RFP terms and provisions, and the rights and obligations of the Institution and Proposers will be construed and enforced as if the RFP did not contain the particular provision held to be invalid.

#### **4.21 Next Ranked Proposer**

The Institution reserves the right to initiate negotiations with the next ranked Proposer should the Institution cease doing business with any Proposer selected via this RFP process.

#### **4.22 Contractor Registration**

Proposers should complete the Institution's vendor registration process. Although registration with the Institution is not required to make a proposal, a resulting contract from this RFP process cannot be finalized without the successful proposer being a registered vendor.

Refer to the following Internet URL to begin the registration process:

In addition to above, the Institution shall work with Proposers and the Governor's Office of Diversity Business Enterprise (Go-DBE) for Proposers to obtain official state certification. Staff of the GoDBE are available for assistance to minority-owned, woman-owned, service-disabled veteran-owned, businesses owned by persons with disabilities, and small businesses as well as general, public information relating to this RFP (visit <https://www.tn.gov/generalservices/procurement/central-procurement-office--cpo-/governor-s-office-of-diversity-business-enterprise--godbe--/godbe-general-contacts.html> for contact information). For assistance with this process, Proposers can contact [procurementdiversity@tbr.edu](mailto:procurementdiversity@tbr.edu).

This proposal request and any award made hereunder are subject to the policies and guidelines of the Tennessee Board of Regents ([www.tbr.edu](http://www.tbr.edu)).

#### **4.24 Protest Procedures**

Refer to the following Internet URL to obtain the Institution's bid protest procedures:

## 5 PROPOSAL EVALUATION & CONTRACT AWARD

### 5.1 Evaluation Categories and Maximum Points

The Institution will consider qualifications and experience, technical approach, and cost in the evaluation of proposals and award points in each of the categories detailed below (up to the maximum evaluation points indicated) to each Proposal deemed by the Institution to be responsive.

CATEGORY	MAXIMUM POINTS POSSIBLE
Qualifications and Experience (Technical Proposal – Section B)	175
Technical Requirements (Technical Proposal – Section C)	265
Cost Proposal	300

### 5.2 Evaluation Process

The evaluation process is designed to award the contract resulting from this RFP not necessarily to the Proposer offering the lowest cost, but rather to the responsive and responsible Proposer deemed by the Institution to offer the best combination of attributes based upon the evaluation criteria.

“Responsive Proposer” is defined as a Proposer that has submitted a response that conforms in all material respects to the RFP. “Responsible Proposer” is defined as a Proposer that has the capacity in all respects to perform fully the contract requirements, and the integrity and reliability which will assure good faith performance.

#### 5.2.1 Technical Response Evaluation

The Solicitation Coordinator will use the RFP Attachment 6.5, Technical Proposal and Evaluation Guide to manage the Technical Proposal Evaluation and maintain evaluation records.

5.2.1.1 The Solicitation Coordinator will review each Technical Proposal to determine compliance with mandatory requirements (refer to RFP Attachment 6.5, Technical Proposal and Evaluation Guide, Section A). If the Solicitation Coordinator determines that a proposal may have failed to meet one or more of the mandatory requirements, the Chief Procurement Officer will review the proposal and document his/her determination of whether: (1) the proposal meets requirements for further evaluation; (2) the Institution will request clarifications; or (3) the Institution will determine the proposal to be non-responsive to the RFP and reject it. A determination that a proposal is non-responsive must be approved by the Chief Business Officer before notice may be sent out that the proposal has been rejected.

5.2.1.2 A Proposal Evaluation Team, appropriate to the scope and nature of the RFP, and consisting of three (3) or more Institution employees, will evaluate each Technical Proposal that appears responsive to the RFP.

5.2.1.3 Each Proposal Evaluation Team member will independently evaluate each Technical Proposal against the evaluation criteria, rather than against other proposals, and will score each in accordance with the RFP Attachment 6.5, Technical Proposal and Evaluation Guide.

5.2.1.4 The Institution reserves the right, at its sole discretion, to request Proposer’s clarification of a Technical Proposal or to conduct clarification discussions with any or all Proposers. Any such clarification or discussion shall be limited to specific sections of the proposal identified by the Institution. The Proposer shall submit its resulting clarification to the Institution in the format specified in the clarification request.

#### 5.2.2 Cost Proposal Evaluation

After the Technical Proposal evaluation has been completed, the Solicitation Coordinator will open the Cost Proposals and use the RFP Attachment 6.6, Cost Proposal and Scoring Guide to calculate and document the Cost Proposal scores.

5.2.3 Total Proposal Score

The Solicitation Coordinator will calculate the sum of the Technical Proposal scores and the Cost Proposal scores and record the resulting number as the total score for the subject Proposal. (refer to RFP Attachment 6.8., Score Summary Matrix).

**5.3 Contract Award Process**

5.3.1 The Solicitation Coordinator will forward the results of the proposal evaluation process to the appropriate institution official who will consider the proposal evaluation process results and all pertinent information available to make a determination about the contract award. The Institution reserves the right to make an award without further discussion of any proposal.

Notwithstanding the foregoing, to effect a contract award to a Proposer other than the one receiving the highest evaluation score, the requesting department/party must provide written justification for such an award and obtain the written approval of the appropriate institutional official.

5.3.2 After the appropriate official's determination, the Institution will issue an Intent to Award to identify the apparent best-evaluated proposal as specified in RFP Section 2, Schedule of Events.

**NOTICE: The Intent to Award shall not create rights, interests, or claims of entitlement in either the Proposer with apparent best-evaluated proposal or any other Proposer.**

5.3.3 The Institution will make the RFP files available for public inspection as in the RFP Section 2, Schedule of Events following issuance of the Intent to Award.

5.3.4 The Proposer with the apparent best-evaluated proposal must agree to and sign a contract with the Institution that shall be substantially the same as the RFP Attachment 6.2, Pro Forma Contract.

Prior to contract execution, the Institution reserves the right, at its sole discretion, to add terms and conditions or to revise Pro Forma Contract requirements in the Institution's best interests. No such terms and conditions or revision of contract requirements shall materially affect the basis of proposal evaluations or negatively impact the competitive nature of the RFP process.

5.3.5 The Proposer with the apparent best-evaluated proposal must sign and return the Contract no later than the Award of Contract Date in the RFP Section 2, Schedule of Events. If the Proposer fails to provide the signed Contract by the deadline, the Institution may determine that the Proposer is non-responsive to the RFP terms and reject the proposal.

5.3.6 If the Institution determines that the apparent best-evaluated proposal is non-responsive and rejects the proposal, the Solicitation Coordinator will re-calculate scores for each responsive Cost Proposal to determine the new, apparent best-evaluated proposal.
