

MLT Applicant Questionnaire

Name: _____

Da	te:
res	ing this form, please provide a written response for each of the following questions. <i>Each</i> sponse should be 250 words or less. <i>Email the completed form directly to the MLT Program</i> mlab@mscc.edu.
1.	Please tell me about yourself.
2.	Describe an accomplishment in your life you of which you are very proud.

3.	Being in the program is very much like a full time job. What are your plans to ensure you are successful if you are selected to be in the program?
4.	You are one of two technicians on your shift, and your co-worker has taken a break leaving you alone. A phlebotomist brings work into the laboratory. There are three tests to be performed on three separate automated analyzers. Test A takes six minutes, Test B takes 25 minutes, and Test C takes 18 minutes. In what order should you perform the three tests so that all three are completed within 30 minutes?
5.	You are in charge of four children in a nursery; it is snack time. You have three oranges for snack, and each child must have the same amount. Would you cut the oranges in halves or quarters?
6.	Can you pass a background check? A drug screen?
