

TUITION PAYMENT PLAN

An easier way to pay for college.

• Affordable • Convenient • Interest-Free

- To help you meet your education expenses, Motlow State Community College is pleased to offer Nelnet Business Solutions (NBS) as a convenient tuition payment plan for **Fall** and **Spring** semesters. It is not a loan; therefore, no interest or finance charges are assessed, and there is no credit check.
- The cost to enroll in the QuikPAY tuition payment plan is \$25 per semester. This is a nonrefundable enrollment fee that is automatically deducted from the checking, savings, or credit card account that you provide. This fee will be deducted immediately after your agreement is posted to the system, separately from your down payment.
- The remaining tuition payments are automatically deducted on the 5th of each month from the account that you provide. You must have a minimum balance due of \$400 to participate in the tuition payment plan.
- If your payment on the 5th is not successful, due to insufficient funds, it will be reattempted on the 20th of the month. Anytime a payment is returned, you will receive notification by e-mail on how the returned payment will be handled. Your agreement will be processed until the balance owed is paid in full.
- There is a \$30 returned payment fee for each failed attempt to withdraw funds from the account you have provided. Please note, your financial institution may also assess you a fee. Returned payment fees are automatically deducted from the account you have provided. If your returned payment fee is returned, it will be reattempted. Returned payment fees are payable to Nelnet Business Solutions/FACTS.
- Enrollment fees and returned payment fees are subject to change in future academic years or semesters. Interest earned on all custodial funds held by Nelnet Business Solutions/FACTS is payable to Nelnet Business Solutions/FACTS.
