

DEFERRED PAYMENT PLAN

*An easier way to pay for college.
• Affordable • Convenient • Interest-Free*

- To help you meet your education expenses, Motlow State Community College is pleased to offer Nelnet Business Solutions as a convenient budget plan. The plan is available for Fall and Spring Semesters. It is not a loan; therefore, you will not have any debt, interest or finance charges assessed, and there is no credit check.
- The cost to budget monthly payments is a \$25 per semester nonrefundable enrollment fee. The enrollment fee is automatically deducted from your account immediately after your agreement has been posted to the system.
- The tuition payment is automatically deducted on the 5th of each month from a checking, savings, or credit card account. You must have a minimum balance of \$600 to participate in a monthly payment plan.
- If your payment on the 5th is not successful, it will be reattempted on the 20th of the month. Anytime a payment is returned, you will receive notification on how the returned payment will be handled. Your agreement will be processed until the balance owed is paid in full.
- For each returned payment, you will be assessed a \$30 returned payment fee. Please note, your financial institution may also assess you a fee. Returned payment fees are automatically deducted from the account you have provided. If your returned payment fee is returned, it will be reattempted. Returned payment fees are payable to Nelnet Business Solutions/FACTS.
- Enrollment fees and returned payment fees are subject to change in future academic years or semesters. Interest earned on all custodial funds held by Nelnet Business Solutions/FACTS is payable to Nelnet Business Solutions/FACTS.
- To enroll in the tuition payment plan, simply register online through MyMotlow at www.mscc.edu.
- If you have questions, please call the Motlow State Community College Business Office at 931.393.1531 or Nelnet Business Solutions/FACTS at 800.609.8056.
