- *A heavy long-sleeve shirt and/or jacket
- *Jeans, chaps or leather pants
- *Full-fingered gloves
- *Over-the ankle, sturdy footwear (athletic or tennis shoes are NOT allowed)

Available Rider Course Offerings:

MSF Basic Rider Course: \$210

The Basic Rider Course follows the proven curriculum of the Motorcycle Safety Foundation® (MSF) Basic Rider Course tailored for beginning riders or those returning to the sport. During the two day classroom & riding range training, you will learn the basics of motorcycle controls & operations; create & apply avoidance techniques and strategies; and develop skills for riding on the road- all while using our motorcycles. The course concludes with a Skill Evaluation and a Knowledge Test.

This is the best place for a new rider to start once they've made the decision to ride and it is also this is a good class for those who know how to ride but haven't ridden in quite awhile. Successful completion of this course and its knowledge and skill tests, which consists of approximately five hours of classroom and 10 hours of on-cycle instruction (conducted over two sessions, Saturday and Sunday), serve as a license test waiver program in Tennessee for those with a Tennessee Driver's License. Successful completion of one of these courses waives the written and driving test portions of your motorcycle driver's license at the TN Drivers Licensing Testing Station.

Motorcycles and helmets are provided for your use during the course. Also, a course completion card may offer the rider an insurance discount.

Prerequisites:

- We require you have a valid driver's license.
- You should have a basic knowledge of the rules of the road, and an awareness of traffic regulations.
- You should be old enough to legally operate a motor vehicle.
- You should be able to ride/balance a bicycle.

NOTE: If you are under the age of 18, one of your parents or a legal guardian MUST be present on Saturday morning to sign the course waiver with you. If a parent or legal guardian is not with you Saturday morning, you cannot participate.

Advance registration is required; our spaces fill quickly.

Women S-Only Basic Rider Course (BRC) - \$299

The **Women's Only Learn to Ride Class** is designed for women who have never ridden, who feel they may need a little more individual attention, and to provide a non-intimidating environment for women to learn to ride together. Course curriculum is identical to the Basic Rider Course co-ed courses. It includes focus on the basics of motorcycle operation including: using the clutch, straight line riding, turning, shifting, stopping and safe riding strategies. Successful completion of one of these courses waives the written and driving test portions of your motorcycle driver's license at the TN Drivers Licensing Testing Station. Classes are generally smaller for more of a one-on-one class experience. Call our office for the details at **931-472-7700** or by email at **midsouthmotorcycle@gmail.com**.

Prerequisites:

- We recommend that you have a valid driver's license.
- You should have a basic knowledge of the rules of the road, and an awareness of traffic regulations.
- You should be old enough to legally operate a motor vehicle.
- You should be able to ride/balance a bicycle.

NOTE: If you are under the age of 18, one of your parents or a legal guardian **MUST** be present on Saturday morning to sign the course waiver with you. If a parent or legal guardian is not with you Saturday morning, you cannot participate.

Advance registration is required; spaces fill quickly.

Teens-Only Basic Rider Course (BRC) - \$210

Similar to the Ladies-Only BRC, but for teens only (15-19 years)

Scooter Basic Rider Course (BRC) - \$210

The best place for a new rider to start once they've made the decision to ride a scooter. This course includes five hours of classroom activities and up to 10 hours of on-scooter riding exercises. The course concludes with a Skill Evaluation and a Knowledge Test.

Trike / 3 Wheel Basic Rider Course (3WBRC) - \$299

The best place for a new rider to start once they've made the decision to ride a 3 wheel motorcycle. This course includes four hours of classroom activities and up to eight hours of on-cycle riding exercises. The course concludes with a Skill Evaluation and a Knowledge Test.

Experienced Rider Course/Basic Rider Course II - \$105

This one-day course is designed for riders who already have basic motorcycle riding skills. It is similar to the BRC, except speeds are higher and riders should be riding their own motorcycle (but you may rent one of ours). It is an excellent refresher course for practicing and renewing basic riding skills. There is an informal classroom segment that discusses safety concepts based on past riding experiences and current knowledge.

For riders who already have basic skills, this class is similar to the BRC except the speeds are higher and riders should be riding their own motorcycle. It is an excellent refresher course for practicing and renewing basic riding skills. There is an informal component that discusses safety concepts based on past riding experiences and current knowledge. Successful completion of one of these courses waives the written and driving test portions of your motorcycle driver's license at the TN Drivers Licensing Testing Station.

Prerequisites:

- We recommend that you have a valid driver's license. Successful completion of this course will get you the motorcycle endorsement for a TN driver's license. If you have out-of-state license, please contact your local DMV to ask if it will be accepted.
- You will need to bring to class proof of insurance and current registration for your motorcycle.
- Written permission for use of the motorcycle if not owned by the student
- You must provide your own street-legal and safe motorcycle or scooter. (All types of motorcycles permitted.)
- You must be old enough to legally operate a motor vehicle.

NOTE: If you are under the age of 18, one of your parents or a legal guardian MUST be present on Saturday morning to sign the course waiver with you. If a parent or legal guardian is not with you Saturday morning, you cannot participate.

Advance registration is required; our spaces fill quickly.

Advanced Rider Course (ARC) - \$105

Using your motorcycle, this one-day course complements a rider's basic skills and helps with personal risk assessment. It includes a fast-paced classroom segment with several interactive activities to improve perception and hazard awareness. Range exercises enhance both basic skills and crash avoidance skills. Improving braking and cornering finesse is emphasized. The course is beneficial for riders on any type of street motorcycle.

THE FINE PRINT

Students must have the ability to ride a bicycle and may be asked to demonstrate this skill at the start of class. Parent(s) or legal guardian of students under 18 (minimum age is 15) **must sign a waiver** at the first class meeting providing permission for their child to attend, plus contact information and authorization to administer first aid in the event of an emergency.

Registration for this class does not guarantee successful completion of either this test or the riding skill evaluation.

Only those students who display successful mastery of all required riding exercises and pass the written exam will receive a satisfactory rating for the class. As with any course, there is no guarantee, real or implied, that students will be able to pass this course.

Upon satisfactory completion of the written knowledge test and a riding skill evaluation, students receive a Motorcycle Safety Foundation (MSF) completion card, valid for three years.

The MSF card serves as a license test waiver in most States. In Tennessee a license waiver is issued valid for one (1) year.

CANCELLATIONS & REFUNDS:

No refunds will be made, except for course cancellations made at least 10 days in advance of first class. In case of inclement weather, the classroom portions of the curriculum will be completed and the riding portion finished at the first available opportunity.

Students who are unable to meet the minimum physical requirements in the opinion of the Rider Coach(es), or the students whose behavior pose a hazard to themselves and/or others, will be asked to discontinue the riding portion of the class, with NO REFUND GIVEN. They may stay to observe the remainder of the class but will not be certified for completion.

HELPFUL HINTS:

-If you have a small cooler, bring snacks, lunch, and drinks to class. We provide water and cups.

-Be alert to each day's weather conditions, and dress appropriately. We DO train in the rain. Dressing in layers is recommended.
