

DUAL ENROLLMENT FREQUENTLY ASKED QUESTIONS

Why take dual enrollment classes?

An immediate benefit is to save money, but other benefits include getting ahead on your college career and gaining some experience and confidence about college level work through an easier transition. Dual enrollment means you get credit for both a high school and a college class at the same time – one class, one grade, that gets counted two places. It really is a great deal!

How do I apply?

Applying for Dual/Joint Enrollment is as easy as 1,2,3! Simply, follow the step by step directions provided on the [Getting Started](#) page of the [Motlow College website](#).

What if my ACT score is not quite high enough for me to be eligible for a dual enrollment course; is there anything else I can do?

We do offer a Residual ACT that is valid only for Motlow College. The results of this test cannot be sent to other colleges or used to apply for the Tennessee Lottery Scholarship. You must have completed a Motlow application to be eligible for the residual test. For test dates and times and to schedule a test, call the [Motlow Testing Center](#) at (800) 654-4877 ext. 1763 or (931) 393-1763.

What if my high school GPA is not quite high enough for me to be eligible for a dual enrollment course; is there anything else I can do?

A minimum high school GPA is no longer required for entry into this program.

How do I request a copy of my Motlow transcript when I graduate from high school?

Complete a [Transcript Request Form](#) to have your Motlow College academic records sent to another college or university. Transcripts can be picked up at any Motlow location, or you can mail a signed request including your name and social security number and the address to which you would like the transcript to be sent.
