

FINANCIAL INFORMATION FOR DUAL/JOINT ENROLLMENT PARENTS/GUARDIANS

Students must complete a new Dual Enrollment Grant Application (online) and submit a Dual Enrollment Grant Authorization (paper form) by the deadline stated on the Tennessee Student Assistance Corporation (TSAC) website for **each semester** they wish to receive the grant. Students who are taking two classes in the same semester and who fail to submit a Dual Enrollment Grant Authorization for that semester will not be eligible to receive the second grant.

It is the **student's responsibility** to make sure grant applications are submitted on time.

Dual Enrollment Grant application deadlines can be found on the Tennessee Student Assistance Corporation (TSAC) website at: <http://www.tn.gov/collegepays/article/dual-enrollment-grant>. Students may check their Dual Enrollment grant status by logging into their TSAC account. Every effort is made to process your son or daughter's Dual Enrollment grant application as quickly as possible. *Please be aware that during peak times, processing may be delayed.*

Bills are automatically generated and emailed to student's Motlow College e-mail accounts prior to the start of the semester. It is the student's responsibility to regularly check their Motlow e-mail for this information. Student account balance information can also be accessed from the student's MyMotlow account at any time. Payment due date and other important dates for each semester are available at <http://www.mscc.edu/schedules.aspx>.

Starting a class and subsequently dropping it after classes begin will not result in a full refund.

You may receive an e-bill that does not reflect the dual enrollment grant. If your student's balance appears incorrect on MyMotlow, the likely reason is one of the following:

NO DUAL ENROLLMENT GRANT LISTED

- The online Dual Enrollment Grant Application has not been submitted (*check status on the TSAC website to verify the online grant application was submitted*); or
- The student's Dual Enrollment Grant Application has not yet been processed (*will have a PENDING status on the TSAC website*)
- The student's collegiate GPA has dropped below a 2.75 (*TSAC will show student is ineligible*)

PARTIAL DUAL ENROLLMENT GRANT LISTED

- Student did not submit the Dual Enrollment Grant Authorization (*paper form*); or
- Student chose to receive only one grant for the current semester (*selection made on the Dual Enrollment Grant Authorization paper form*)

Fees can be paid at any Motlow College campus. They can also be paid online or by phone with a credit card (MasterCard, Visa, American Express, or Discover) by contacting:
