FERPA RELEASE AUTHORIZATION FORM

In compliance with the Federal Family Educational Rights and Privacy Act (FERPA) of 1974 and the Tennessee Board of Regents Policy on Access and Release of Student Education Records, Motlow is prohibited from providing certain information from your student records to a third party.

You may, at your discretion, grant Motlow permission to release information about your student records to a third party by submitting a completed FERPA Release Authorization Form. This form allows students to authorize the release of confidential academic, financial aid and student financial account information, academic progress reports and grades to a third party. The specified information will be made available only if requested by the authorized third party. The College does not automatically send information to a third party. Submit your completed form to the Dean of Students office.

This release applies to the timeframe in which a student is continuously enrolled. Any lapse in enrollment status will require a new form. This FERPA release is revocable by the student at any time. If a student wishing to retract permissions granted on this form, please send a written request to the Dean of Students office, or contact at 931-393-1690 or [kmoss@mscc.edu](mailto:kmoss@mscc.edu)."

This form allows third parties to access student record information from any Motlow campus. NOTE: This release overrides all FERPA directory suppression information that you have set up in your student record.
