

iPhone Email Setup for Motlow College

1. Tap **Settings > Mail, Contacts, Calendars > Add Account > Exchange**.
2. Enter the information in the fields below, then hit **Next**:
 - a. Email: Username@mscc.edu
 - b. Password: Enter your password
 - c. Description: Optional, but you can put Motlow or Motlow Exchange

3. Your iOS device will now try to locate the Exchange Server. If necessary, you will need to enter our Exchange Server's complete address in the **Server** field.
 - a. Server: email.msc.edu
 - b. Domain: Motlow
 - c. Username: username@mscc.edu

- d. Choose which content you would like to synchronize: Mail, Contacts, Calendars, Reminders and Notes. Tap **Save** when finished.

You have successfully added your Motlow email account on your iOS device. If you have any questions or need assistance, please call the Motlow Technical Helpdesk at (931) 393-1510; option #1 or email us at helpdesk@mscc.edu.
