

Anatomical Checklist Male Reproductive System

scrotum

testis (testicle)/ testes (testicles)

spermatic cord:

vas deferens (or ductus deferens)

testicular veins

testicular artery

lobule

seminiferous tubule

straight tubule

rete testis

efferent duct

ductus epididymis

epididymis

vas deferens (or ductus deferens)

ampulla of vas deferens

ejaculatory duct

ureter

urinary bladder

internal urethral orifice

urethra:

prostatic

membranous

penile (spongy)

external urethral orifice

accessory sex glands:

seminal vesicles (2)

prostate gland (1)

bulbourethral (Cowper's) glands (2)

penis:

body

glans

corpora cavernosa

corpus spongiosum
