Subject: FW: Academic Affairs Committee Policy
Attachments: 6100004 Academic Affairs Committee.docx

Vice President Edmonds has requested the Leadership Council vote on the attached policy on Academic Affairs. Please note that this was on the Oct 14 meeting which was cancelled due to my mother-in-law's illness.

This policy puts the college in compliance with SACS and TBR requirements. The reason we need to act immediately on this policy is there are pending curriculum changes, program approvals and testing changes that require immediate approval of the Academic Affairs Committee.

It is her understanding that former Vice president Kelley had sent this out to the former Department Chairs for review. There is nothing significantly different from our previous policy other than technical changes to reflect the re-imagining.

Please vote yes or no by Friday, Oct. 28.

Thank you!

Dr. Anthony G. (Tony) Kinkel
President

MOTLOW STATE
COMMUNITY COLLEGE
