

Fall 2020 Academic Course Plan

Welcome to Fall Semester 2020! Please read this important information!

- Motlow will resume fall classes with a **variety of options**.
- To decrease risks to students, the institution will follow the Center for Disease Control (CDC) guidelines regarding the use of **masks and social distancing**. The number of **people on campus will be significantly reduced**.
- These guidelines will require schedule revisions to the currently posted fall schedule so that **classrooms are not used for two consecutive class times; cleaning will occur after each class exits and before a different class enters**.
- To provide the variety of class options, the **fall schedule will be modified**.
- This schedule modification may require **students to be moved to newly created class sections**.
- When these modifications are complete, students will receive Motlow email communication about the changes and given the opportunity to change their schedule.
- Please continue to check your Motlow email for updates.

Class Formats and Course Materials

The course titles listed in the course schedule have been updated with new codes to help you understand more about your class. The following new codes will appear on your class schedule following the course title.

Class Formats

G:	On-ground
ON:	Online with no fixed class times
OFF:	Online with fixed class times
B:	Blended online/on-ground with fixed class times

Course Materials

D:	Digital textbook will be billed to student upon course registration
Z:	No textbook purchase required
T:	Textbook purchase required

Course titles in the online schedule will contain the codes noted above. Here are 4 examples how these codes will be shown the schedule:

Example 1

Course sections in the schedule will contain the codes above. This means the course is on-ground. Listed below is an example of an on-ground course with the new coding.

Notice the **G** following the course title.

Sections Found

EMT Medical Skills Lab (G) - 84742 - EMSB 1101 - F15

Associated Term: Fall 2020

Registration Dates: Apr 06, 2020 to Aug 25, 2020

Levels: Undergraduate

Attributes: Certifications 2, Lrning Communities Curricular

Fayetteville Campus Campus

Laboratory Schedule Type

Conventional (Classroom) Instructional Method

1.000 Credits
