

# MOTLOW STATE

## Nursing A.A.S.

The Motlow State Community College Nursing Associate of Applied Science is a rigorous two year program of study to prepare graduates to be competent, caring registered nurses. The program lets you enter the job market with confidence, hands-on clinical training, and the skills you need for immediate workplace success. You'll learn from nursing professionals with years of successful clinical and teaching experience. Additionally, Motlow nursing credits will transfer easily to bachelor degree programs.

### REASONS TO CHOOSE MOTLOW NURSING

- Qualified, experienced faculty dedicated to promoting student success
- Clinical experiences available throughout middle Tennessee
- Curriculum designed to prepare graduates to work in today's health care industry
- Motlow nursing graduates enjoy an excellent reputation in the community
- Consistently high state licensing pass rates
- Consistently high 95 - 100% job placement rates

### MAKING IT HAPPEN AT MOTLOW

Promise and Reconnect scholarships cover tuition costs for this program. Motlow's low tuition plus financial aid opportunities help make this high-quality program very affordable. Meet personally with a Motlow financial aid advisor and discover the financial resources available to you.

### FINISH STRONG

Motlow provides students access to a variety of support services to help complete their programs. Services include tutoring, faculty advising, completion coach support, and counseling - all designed to help students successfully navigate their individual college experience.
