How to Apply for the Dual Enrollment Grant
APPLICATION DEADLINE

• The online dual enrollment application must be completed and processed by the deadline date (or the following business day) each semester in order for a student to participate and receive funding from this grant. The application processing deadline dates for the college award year are:

• September 15 for fall enrollment.

• February 1 for spring enrollment.

• May 15 for summer enrollment.
Eligibility

• In order for a high school or homeschool student to use their very first dual enrollment grant, they must simply apply for the dual enrollment grant.

• In order for a high school student to use a second dual enrollment grant in the same semester, a high school student must either have an ACT score of 21 or a high school GPA of 3.0

• In order for a homeschool student to use a second dual enrollment grant in the same semester, a homeschool student must have a 21 on the ACT.

Step 1: Register Through TSAC Student Portal

ATTENTION – PLEASE READ CAREFULLY BEFORE REGISTERING

Information provided by the student when creating an account and applying for scholarships online must be accurate. Failure to provide accurate information will cause a delay in determining your scholarship eligibility or potential loss of an award. You must know the following when creating a student portal account:

- Student’s First Name and Last Name – as it appears on the Social Security card
- Student’s Social Security Number – as it appears on the Social Security card
- Student’s Date of Birth
- Student’s email address (if available)

IMPORTANT: Applying for a scholarship (example: the Tennessee Promise) is not complete once a student portal account has been created.

Next, you must re-enter your username and password and answer the challenge question. Once you have accepted the "User Agreement", click the "Apply for Scholarships" button and then click the appropriate scholarship program to complete and submit the online application.

For future student portal access to apply online or to view your financial aid summary, it is important to remember the Username and Password you have created.

Step 7: Read Over Dual Enrollment Requirements

The Tennessee Dual Enrollment Grant program is defined as a grant for study at an eligible postsecondary institution that is funded from net proceeds of the state lottery and awarded to students who are attending high school and who are also concurrently enrolled in college courses at eligible postsecondary institutions for which they will receive college credit.

GENERAL REQUIREMENTS AND INSTRUCTIONS:

The Tennessee Dual Enrollment Grant provides financial assistance to qualified high school students in pursuit of postsecondary study at an eligible Tennessee public or private institution while receiving college credit.

The application must be received by the deadline date each semester in order for a student to participate and receive funding from this grant. The application deadline dates for college enrollment are: September 15 for fall, February 1 for spring and May 15 for summer. The application deadline dates for Tennessee Technology Centers are: November 1 for fall enrollment, March 1 for spring and May 1 for summer enrollment.

To participate in the Tennessee Dual Enrollment Grant program, a Tennessee high school Junior or Senior must be a Tennessee citizen and resident of the state for one (1) year prior to enrollment and enrolled in postsecondary courses leading towards a degree. For continued participation, a student must maintain a 2.75 cumulative college grade point average for each semester of enrollment. College courses taken under the restrictions of this grant do not count towards the Tennessee HOPE Scholarship and the Tennessee HOPE Access Grant college GPA and the attempted credit hours limitation.
Step 8: Fill out Dual Enrollment Application
Make Sure to Select Motlow as the College You Plan on Attending
Step 9: Read Over How Using the Dual Enrollment Grant for More Than 4 Courses Can Impact Your HOPE Scholarship

This statement serves as acknowledgement that I am receiving an award offered under the Tennessee Dual Enrollment Grant Program, funded from the Tennessee Education Lottery Scholarship Program. This award does not guarantee acceptance into any institution of higher education or receipt of a HOPE Scholarship.

Pursuant to Tennessee Code Annotated § 49-4-930, I understand that if I enroll in more than four (4) Dual Enrollment Grant courses then funds used for the additional courses will be deducted on a dollar for dollar basis from my HOPE Scholarship award. I further understand that this deduction shall be applied in full against the amount of my HOPE Scholarship award in my first semester. If my HOPE Scholarship award in the first semester is less than the amount of the total deduction, the remaining deduction amount will be applied against my second semester HOPE Scholarship award, and subsequent semesters if necessary, until the deduction is eliminated.

I also acknowledge that college courses taken under the Dual Enrollment Grant Program do not count towards the attempted hours and continuation requirements of the Tennessee HOPE Scholarship once I am enrolled in an eligible postsecondary institution.

I understand the information provided above and submit this electronically signed acknowledgement.
Step 10: Confirmation

• You should soon receive an email confirmation indicating that you have successfully applied for the Dual Enrollment Grant. Just make sure that you maintain a cumulative grade point average of 2.75 in order to keep receiving the dual enrollment grant in future semesters.

• Students taking more than one dual enrollment class in a semester MUST submit the Dual Enrollment Grant Authorization paper form (found here: http://www.mssc.edu/dualjoint/grant.aspx) to indicate whether they want to receive one or two grants in that semester.

• That’s it! You’re done!!!
